

Moondoggy's Cafe Bar

Cakes & Biscuits ... Sweet Treats

Let Moondoggy tempt you...please view our selection of homemade cakes and biscuits in our cake cabinet or ask us to describe them! Or you may prefer:

Muffin of the Day with jam and butter 3.50

Pikelets with jam and whipped cream 3.50

Tapas ... Savoury Treats

Originated in 19th century Spain when bars were forced by law to serve food so patrons would not get tipsy on an empty stomach. It is customary to order a variety of plates and share them with friends & family over a drink. The tapas can be viewed in our tapas cabinet or ask one of our team to help you with your selection. Order individually or as a platter. Enjoy!
